# EVENTS & COMMUNITY NETWORKS

## COMMUNITY NETWORKS

Unlike in Burnley and Pendle, BPRCVS doesn't directly participate in the facilitation of this community network and as such we are unable to report attendance and group registration figures.

Every month BPRCVS has at least 2-3 staff in attendance.

BPRCVS attends strategic and community networks regularly so that we can stay informed on future plans and developments, and in turn provide the relevant representation and support to communities and residents.

Social Prescribing is a non-medical, community intervention that improves the health and wellbeing of local residents via the VCFSE sector. Link Workers assess and support clients with a large variety of needs from health to housing, and from debt to welfare, and many other needs too.

Funded by:

South Cumbria  
Integrated Care Board

# ADULT SOCIAL CARE

- Mental Ill Health
- Social Isolation
- Depression/Anxiety

The project aims to utilise a model similar to that of Social Prescribing, but in an adult social care context.

The team provides support to people by linking them to activities and opportunities within the VCF (voluntary, community and faith) sector to address their non-medical needs.

Communicars is a community transport service delivered by BPRCVS for people of Burnley, Pendle, and Rossendale. The service is reliant on volunteer drivers who use their own cars to transport passengers. The service helps the socially isolated, disabled and elderly get to groups, lunch clubs, trips into town, and much more.

The minibus is driven by volunteer drivers and is for hire by any of the small groups in Burnley, Pendle and Rossendale.
